

**Accredited Provider of Continuing Professional Development for Registered Medical Laboratory Technologists
Report Summary Sheet on Continuing Professional Development (CPD) Programmes/Activities**

(1 Jan 2005 - 31 Dec 2005)

Month / Year Month / Year (Note)

Note: Accredited CPD Providers must submit data about their CPD activities annually (or as and when requested by the MLT Board), to assist the MLT Board in evaluating and monitoring the standards of their CPD activities and programmes

Name of the Accredited Provider	Hong Kong Society of Clinical Chemistry	Accredited Period	1 January 2005 to 31 December 2007
----------------------------------------	------------------------------------------------	--------------------------	-------------------------------------------

Programme/ Activity Code (If applicable)	Date	Programme/Activity Title	Name of Person(s) involved in Planning	Objectives	Total CPD Credit Points (If applicable)	Time Frame		Speaker(s) [Name(s) & Professional Qualifications]	No. of Participants	Remarks COA: Certificate of Attendance
						Theory (Hrs/ Days)	Practical (Hrs / Days)			
15050011	15 Jan 2005	Hong Kong Society of Clinical Chemistry and International Association of Therapeutic Drug Monitoring and Clinical Toxicology Joint Scientific Symposium: <i>Therapeutic Drug Monitoring and Clinical Toxicology: What We Know and Should Know</i>	Joseph Lee, Judy Lai, Rossa Chiu, Lydia Lit	To review the basic principles and recent advances in therapeutic drug monitoring and clinical toxicology. To discuss the common pitfalls relevant to the practice of therapeutic drug monitoring and clinical toxicology.	3.5	3.5	-	Dr Ray Morris , Queen Elizabeth Hospital, Australia; Dr Kim Napoli , University Texas Medical School, USA; Dr John Lewis , North Sydney Health, Australia; Dr Frank Peters , University of Sarmland, Germany.	109	Filed documents: 15050011 COA 15050011 programme 15050011 attendance record
15050021	3 Mar 2005	Tandem MS in the Clinical Laboratory: Current and Future Applications	CS Ho, Joseph Lee	The presentation concentrated on "Reasons for choosing MS" a. why one might consider moving existing assays to MS b. what has been moved to MS and why c. future/current applications under development with particular reference to toxicology screening	1.0	1.0	-	Mr Kendon Graham , Clinical Applications team, Waters MS Technologies Centre, Manchester, United Kingdom	40	Filed documents: 15050021 COA 15050021 programme 15050021 attendance record
15050031	5 May 2005	Novel Risk Marker and Clinical Management : Troponin I Standardization.	Joseph Lee, Lydia Lit	With more and more hospitals providing the Troponin test as a cardiac marker, the issue of the protein's standardization became a concern amongst scientists for reason of result transferrability.	1.0	1.0	-	Dr. Peng Yin, MD, PhD , Regional Scientific Affairs Marketing Manager - Greater China & Korea Diagnostics Division, Abbott Laboratories	122	Filed documents: 15050031 COA 15050031 programme 15050031 attendance record
15050041	24 June 2005	National And International Standardisation Schemes And Quality Issues For Glycohaemoglobin / HbA1c	Judy Lai, Joseph Lee	The problem of standardization for glycosylated haemoglobin will be examined and discussed.	1.0	1.0	-	Dr. Ian Goodall , Manager, Special Chemistry, Austin Health, Heidelberg, Melbourne, Australia	79	Filed documents: 15050041 COA 15050041 programme 15050041 attendance record

Programme/ Activity Code (If applicable)	Date	Programme/Activity Title	Name of Person(s) involved in Planning	Objectives	Total CPD Credit Points (If applicable)	Time Frame		Speaker(s) [Name(s) & Professional Qualifications]	No. of Participants	Remarks COA: Certificate of Attendance
						Theory (Hrs/ Days)	Practical (Hrs / Days)			
15050051	29 June 2005	Update on Clinical Application using Troponin T and NT-proBNP	Rossa Chiu, Joseph Lee	The biochemistry and clinical utility of the cardiac marker for heart failure will be discussed.	1.0	1.0	-	Dr. Bernhard Trauth Director, Indication Marketing Cardiology Global Marketing Centralized Diagnostics Roche Diagnostics GmbH Germany	28	Filed documents: 15050051 COA 15050051 programme 15050051 attendance record
15050061	7 Sept 2005	An Update on Immunochemistry in the Clinical Laboratory	Joseph Lee, Lydia Lit	1. To discuss the currently available panel of thyroid testing in the clinical laboratory. 2. To discuss the applications of total and free PSA testing for screening of prostate cancer in a local setting.	1.0	1.0	-	Ms. Carol R. Lee, M.S. Scientific Support Manager Scientific Professional Relations - Immunodiagnosics Beckman Coulter, Inc. & Mr. AU Kam Ming Scientific Officer (Medical) Dept of Pathology, Princess Margaret Hospital	204	Filed documents: 15050061 COA 15050061 programme 15050061 attendance record
15050071	26 October 2005	Solutions for different mass spectrometry applications in clinical diagnostics	Joseph Lee, C S Ho	An introduction to the application of mass spectrometry in the study of proteomics in clinical medicine	1.0	1.0	-	Dr Wolfgang Pusch Director of Clinical Proteomics and Biomarker Analysis products Bruker Daltronik GmbH, Germany	32	Filed documents: 15050071 COA 15050071 programme 15050071 attendance record
15050081	11 November 2005	Hong Kong Society of Clinical Chemistry and Hong Kong College of Pathologists: Joint Education Symposium on LCMS	Joseph Lee, Tony Mak	The use of LCMS technique in clinical laboratories and the recent development in the industry would be presented.	1.0	1.0	-	Dr Robert Cheung Dr Vince Gao Dr Ng Khim Hui Professor Pierre Marquet Mr Paul Taylor	119	Filed documents: 15050081 COA 15050081 programme 15050081 attendance record
15050091	12 November 2005	Clinical Application of LCMS (Day 1)	Joseph Lee, Tony Mak	Local and overseas experience in the use of the LCMS technique to solve various old and new clinical problems.	3.0	3	-	Dr CS Ho Mr Paul Taylor Mr Simon Siu Dr WT Poon & Ms Vanessa Lo Professor Pierre Marquet	65	Filed documents: 15050091 COA 15050091 programme 15050091 attendance record
15050092	13 November 2005	Clinical Application of LCMS (Day 2)	Joseph Lee, Tony Mak	An in depth practical workshop illustrating the important principles and difficult areas in LCMS for a group of LCMS users by two LCMS experts.	6.0	6	-	Mr Paul Taylor and Prof Pierre Marquet	42	Filed documents: 15050092 COA 15050092 programme 15050092 attendance record
