

For registrants's reference

- (i) Some of the supporting documents submitted did not fall within the period of 1 November 2004 to 30 June 2005;
- (ii) Some CPD activities attended were non-accredited programmes;
- (iii) Some registrants did not provide the certificates of attendance but only submitted a letter from professional association certifying that he/she had attended a number of hours of CPD activities; and
- (iv) Some registrants provided the attendance receipts instead of the certificate of attendance.

For Accredited Programme Providers's reference

- (i) Some certificates of attendance did not indicate the credit hours awarded; and
- (ii) Some certificates only indicated that the participants declared that he/she had attended the programme but without organization chop or authorized signature.
