THE OPTOMETRISTS BOARD OF HONG KONG

Manual For Accreditation as

a Provider of Continuing Professional Development Activities

1 INTRODUCTION

- 1.1 Changes are constantly affecting the optometric practice. Optometrists are required to engage in life-long active learning to enhance their professionalism to cope with the changes. Continuing Professional Development (CPD) refers to any post-registration educational, skill or experience updating which is optometric specific or healthcare related with an aim to enrich the optometrists' contribution in quality health care and help them in their pursuit of professional goals.
- 1.2 The Optometrists Board of Hong Kong, being a statutory body for the regulation of the optometric profession in Hong Kong, mandates the establishment of an accreditation system to govern the standard of providers for CPD.
- 1.3 This manual provides an overview of the Optometrists Board continuing professional development accreditation system, policies / procedures governing operation as an accredited provider to provide CPD programmes / activities and accreditation criteria for organizations to develop and organize CPD programmes / activities. Instructions on the application procedure, and application forms / formats are also incorporated to facilitate organizations applying for the accredited status.

2 PURPOSES OF ACCREDITING AN ORGANIZATION AS A PROVIDER OF CONTINUING PROFESSIONAL DEVELOPMENT ACTIVITIES

- 2.1 To determine organizations as accredited provider(s) of CPD activities
- 2.2 To maintain and improve the quality of CPD

3 OVERVIEW OF THE ACCREDITATION SYSTEM

- 3.1 All providers of CPD *must seek accreditation* from the Optometrists Board before their CPD activities can be recognized by the Optometrists Board.
- 3.2 Accreditation is for a *three-year period*. Accredited organizations wishing to continue their accredited status must organize at least 36 CPD points equivalent of activities in each three-year period and submit a *new application* before the end of each accreditation period. All applications must document adherence to all Optometrists Board criteria and policies.

- 3.3 Any organization responsible for the overall development, implementation, evaluation, and quality assurance of CPD may seek accreditation as a provider. Explicitly, a university is regarded as a potential unit of providing CPD programmes/ activities.
- 3.4 At the discretion of the Optometrists Board, a visit to the CPD programme / activity or the applicant organization may be scheduled. The purpose of the visit is to make an accurate, firsthand assessment of the data given in the applicant's supporting documents. The Optometrists Board will work closely with the organization to verify, amplify, and clarify information presented in the written application materials and identify strengths and any areas of concern.
- 3.5 The Optometrists Board will decide the accreditation status or formulate *recommendations* to the applicant organization for CPD programmes / activities improvement as appropriate.
- 3.6 The applicant organization will be notified of the accreditation and recommendations, and the *effective period* for gaining the accreditation status.

4 POLICIES GOVERNING OPERATION AS AN ACCREDITED PROVIDER

Accredited providers must adhere to the following *policies and procedures*.

- 4.1 **Compliance with Optometrists Board Accreditation Criteria, Policies and Procedures**
- (1) Accredited providers are required to *implement all accreditation criteria* as stated in this Manual.
 - (2) Accreditation criteria, policies, and procedures may be revised by the Optometrists Board from time to time. Providers are expected to comply with such changes and to implement appropriate *revisions* in their programmes as indicated by the Optometrists Board as soon as possible.
- 4.2 **Requirement for Reporting Data**
- (1) Accredited providers must submit *data* about their CPD activities annually (or as and when requested by the Optometrists Board), to assist the Optometrists Board to evaluate and monitor the standard of their CPD activities and programmes.
 - (2) Minimal data must be able to show fulfilment of the programme design criteria as stated in the Manual for Validation of Continuing Professional Development Activities.
- 4.3 **Recognition of CPD Credit Points**
- (1) Accredited providers may use CPD credit points in their communications, marketing materials, and certificates of attendance.

- (2) Accredited providers may use the following terminology:

_____ is accredited as a Provider of Continuing
(Name of accredited provider)

Professional Development activities by the Optometrists Board of Hong Kong for
the period from _____ to _____.
(Month/Year) (Month/Year)

or

This activity for _____ CPD credit points is provided by
(Number)

_____, which is accredited as a Provider of
(Name of the accredited provider)

Continuing Professional Development activities by the Optometrists Board of
Hong Kong.

4.4 Award of CPD points

Accredited providers must follow the guidelines for the award of CPD points as laid down by the Optometrists Board in paragraph 6 and Appendix I of its *Manual for Continuing Professional Development Scheme*.

For lecture-based activities, the time allocated for examinations / tests will not attract any CPD points.

4.5 Verification of Participants and Successful Completion

Accredited providers must award *certificates or written statements* or provide *any record* verifying an individual's participation and successful completion of each continuing education programme / activity. A sample of certificate of attendance is provided at **Appendix I** for reference. No certificate of attendance shall be issued to attendees who are late or who leave before the end of the activities for over 15 minutes.

4.6 Co-provided Activities

- (1) An accredited provider may co-provide activities with other accredited and non-accredited providers.

- (2) The co-provided activity (*for which CPD credit points will be awarded by the accredited provider*) must be planned and implemented with the **direct** involvement of the accredited provider's CPD programme / activity organizer (Para. 5.8) in all stages of development of the activity – from initial planning through implementation and evaluation.

4.7 **Providers Cannot Approve Activities**

Within the Optometrists Board system, accredited providers *cannot approve* another organization's CPD activities.

4.8 **Organizational Change**

- (1) Accredited organizations must *report changes* in the organization that occur after accredited status is awarded.
- (2) The Optometrists Board reviews all statements of change at its regular panel meetings.
- (3) Changes in ownership, name, and structure, as well as personnel qualifications, must be accepted by the Optometrists Board to determine the organizations' continued ability to implement the provider accreditation criteria.
- (4) Organizations are accredited under the name, structure, and ownership in place at the time of the accreditation decision.
- (5) To maintain accredited status, accredited organizations must report changes in any of the reported data, *in writing within 30 days*, for Optometrists Board's review and decision.
- (6) The Optometrists Board reserves the right to conduct visits to the organization to verify, amplify, clarify and audit the current abilities of the organization to implement the Optometrists Board accreditation requirement.
- (7) The Optometrists Board also reserves the right to withdraw approval at any time and shall not be liable for any claim for damages or loss suffered by the provider or any other party arising therefrom.

5 PROVIDER ACCREDITATION CRITERIA

- 5.1 Any local organization responsible for the overall development, implementation, evaluation, and quality assurance of CPD programmes / activities is eligible to seek accreditation as a provider.
- 5.2 Explicitly, a university is regarded as a potential unit of providing CPD.
- 5.3 Only organizations with acceptable experience in optometric education activities immediately before application are eligible to apply for the provider of CPD. An

organization without the provider status can only apply for validation of its particular CPD programme.

- 5.4 An organization seeking accreditation as a provider of CPD may identify, within itself, a separate, *defined provider unit*, administratively and operationally responsible for co-ordinating all aspects of CPD programmes / activities.
- 5.5 The organization or its provider unit has to submit, in a written statement, its *beliefs* and *goals* about the promotion and improvement of health care through the provision of CPD. The statement, if revised, shall be reported to the Board.
- 5.6 *First time applicants* seeking accreditation cannot use programmes / activities co-provided with an accredited provider in their application.
- 5.7 The organization seeking accreditation must establish and affirm its *eligibility* as a provider, and provide supporting *documents* upon request.
- 5.8 The organization or its provider unit must have an unequivocal line of *authority* and *communication* among the person in-charge, an CPD programme / activity organizer.
- 5.9 An applicant organization must submit its *policies and procedures* to implement the Optometrists Board accreditation requirement as required in section 4 above for the Board's examination.
- 5.10 The process of planning, developing, implementing and evaluating the CPD programmes / activities must adhere to the *Programme Design Criteria* as specified in the *Manual For Validation of Continuing Professional Development Activities* of the Optometrists Board.
