\*This is for reference only. The final CPD points will be determined based on actual attendance of the individual participant. 1 CPD point per 1 contact hour of audience or online participation. Fraction of the hour will be rounded up to the nearest hour. Point allocation for 1 whole day of audience or online participation will be capped at a maximum of 5 CPD points. Point allocation for a single program lasting over several days will be capped at a maximum of 15 CPD points. For details, please refer to the "CPD Manual for Registered Physiotherapists".
